**Summary of Housing Programs: GROW South Dakota Sisseton, SD**

**Weatherization Assistance Program**

The home, as well as the applicant, will need to meet criteria for this program. It is the discretion of GROW South Dakota to cancel an application if the rehabilitation is not considered feasible.

- This program is in the form of a grant, there is no financial obligation to the applicant unless the applicant moves or sells the property within 2 years.

- If your home has received weatherization services after September 30, 1994, it will not be eligible for this program.

- Rental units can be eligible if they meet the DOE requirements. The landlord is responsible for 33.3% of the total cost unless the homeowner’s income falls below 200% of the poverty income guidelines. There is additional paperwork that needs to be completed by the homeowner and applicant, prior to any approval for rental units.

- Ownership must be verified. A copy of the deed, contract for deed or property tax receipt must accompany the application. Ownership for mobile homes will need to be a copy of the title.

- A home audit is conducted by the GROW South Dakota Energy Auditor. Information is obtained and installed in the NEAT/MHEA computer program. This program will determine what measures, if any, are to be installed on the home.

Energy saving measures to be considered may include but are not limited to:

1. Insulation, proper ventilation.
2. Air infiltration measures, weather strip, glass replacement, foam sealant, caulk.
3. Minor health and safety measures, furnace clean and tune, water heater replacement.
4. Pressure balancing.
5. Furnace replacement/repair.
6. Minor repairs that will reduce energy consumption.
Home Improvement Forgivable Loan Program

Provided the cost of the job does not exceed program limitations, home rehabilitation work may include but is not limited to:

- Roof repair/shingles
- Siding
- Plumbing
- Minor foundation repair
- Wiring

The home, as well as the applicant, will need to meet criteria for this program. It is the discretion of GROW South Dakota to cancel an application if the rehabilitation is not considered feasible. The applicant must be listed as an owner on the deed for the home, and it must be their primary place of residence. The program is in the form of a forgivable loan. A deed restriction/mortgage is placed on the home for five years and is reduced by 1/60th each month the home remains as the applicant’s primary residence and is not sold, transferred or rented. Repayment will be required if any of these residential criteria are no longer applicable.

Below is a list of program regulations:

- The applicant must own the home. It cannot be a rental unit. The deed must include the applicant’s name as the owner of the property.
- Typically, GROW SD focuses on one major project per home.
- Mobile homes are not eligible for this program, unless it is on a permanent foundation and taxed as real estate property.
- The applicant and all current household members must be income eligible. Eligibility is based on the combined income from all household members.
- This program is in the form of a forgivable loan. A deed restriction/promissory note/mortgage is placed on the home for five years. All names listed on the deed will be required to sign the deed restriction/promissory note/mortgage.
- The maximum allowable cost on the home is dependent on funding. GROW SD will charge a fee for general contracting/developer/ work from this funding.
- Actual verification of income, a copy of the deed, and the most recent property tax receipt must be sent with the application.
- Property taxes for the residence must be current.
- Must not currently have a deed restriction/mortgage on the property with the same fund source.
- The income limits for the majority of the GROW SD service areas are as follow:
